

**The University of Economics in Prague and
Charles University Prague – Environment Center & Institute of Economic
Studies**

Are inviting you to the

21th International Conference on

Environmental Economics, Policy and International Environmental Relations

28-29 November 2019

Room 244 NB

The University of Economics in Prague
Main Campus, W. Churchill Sq. 4, Prague 3 – Žižkov, Czech Republic

**Keynote lecture by Professor Rick van der Ploeg "Oil discoveries and protectionism"
Thursday 12:45-13:45 in Room: 213 RB (Rajská Budova)**

Program **Théta**

**T A
Č R**

Program

Day 1

Session I	Environmental policies and governance Chair: Petr Sauer (<i>University of Economics, Prague</i>)
9:00-10:00	Toward adaptation on climate change in the Czech Republic: <i>Ticiano Costa Jordao (Technical University, Prague)</i>
	Rethinking of neoliberal climate governance <i>Davinderpal Singh (Central university of Punjab)</i>
	Salmonid fishing in the Czech Republic – conflict of interests <i>Tomas Zapletal (University of Economics, Prague)</i>
	Ethylenediaminetetraacetic Acid in rivers of Czech Republic: A Challenge for Circular Economy: <i>Jan Prášek, Karolína Keprtová, (CENIA Praha) Petr Šauer (University of Economics, Prague)</i>
	Different Scenarios of Land use in Indonesia: A Case study in Buol, Central Sulawesi <i>Sane Mathy (University of Life Sciences, Prague)</i>
10:00-10:10	Tea break
10:10	Opening <i>Petr Sauer (University of Economics, Prague)</i> <i>Milan Ščasný (Charles University, Prague)</i>
Session II	Energy markets (Sponsored by GEMCLIME – Global Excellence in Modelling of Climate and Energy) Chair: Djibi Thiam (<i>University of Cape Town</i>)
10:10-12:00	The forward premium in electricity markets: an experimental study <i>Silvester van Koten (University Economics, Prague; CERGE-EI)</i>
	Will bitcoin mining lead to global environmental catastrophe? <i>Ladislav Kristoufek (Charles University, Prague)</i>
	Innovations in the wind energy sector <i>Dali Laxton (CERGE-EI - Charles University and the Economics Institute of the Czech Academy of Sciences)</i>
	Spillovers among oil and stock prices in China and US financial markets <i>Karel Janda (Charles University; University Economics, Prague), Binyi Zhang (Charles University, Prague)</i>
12:00-12:45	Lunch time refreshment

12:45-13:15	<p>Keynote lecture: Professor Rick van der Ploeg "Oil discoveries and protectionism" Room: 213 RB (Rajská Budova)!!! Chair: Ayaz Zeynalov / Silvester van Koten (<i>University of Economics, Prague</i>)</p>
13:15-13:40	Keynote lecture discussion
13:40-13:45	Short break
Session III	<p>Modelling climate change mitigation policies <i>(Sponsored by Czech Technology Agency's RegSim Project)</i> Chair: Vojtěch Máca (<i>Charles University, Prague</i>)</p>
13:45-15:45	<p>Reaching net zero emissions by 2050 <i>Boglarka Molnar, Richard Lewney, Dora Fazekas (Cambridge Econometrics Hungary)</i></p> <p>Selection of nesting structure in the production function for CEE economies <i>Vedunka Kopečná, Milan Ščasný, Lukas Rečka (Charles University, Prague)</i></p> <p>Spatial distribution of economic instruments of climate protection within the EU <i>Jarmila Zimmermannová (Moravian Business College Olomouc), Jolana Skaličková (Moravian Business College Olomouc), Vít Pászto (Moravian Business College & Palacky University Olomouc), Judit Sági (Budapest Business School - University of Applied Sciences)</i></p> <p>Factors influencing support for climate change mitigation policies: Results of a study in Poland and Germany <i>Zbigniew Bohdanowicz (University of Warsaw)</i></p>
15:45-16:20	Tea break
Session IV	<p>Healthier and more sustainable lifestyle <i>(H2020 INHERIT project)</i> Chair: Milan Ščasný (<i>Charles University</i>)</p>
16:20-18:00	<p>Effectiveness of a smart app "cycles" intervention to promote regular cycling <i>Vojtěch Máca, Iva Zvěřinová, Milan Ščasný (Charles University)</i></p> <p>Healthier and environmentally-friendly lifestyles: Multi-country discrete choice experiments <i>Iva Zvěřinová, Milan Ščasný, Vojtěch Máca (Charles University)</i></p> <p>A bottom-up techno-economic assessment of energy saving potential: The case of residential buildings in the Czech Republic <i>Mehrab Ganvari (Charles University, Prague)</i></p>
18:00	End of Day 1
18:30	Social dinner

Day 2

Session V

Energy Efficiency

(Sponsored by Czech Science Foundation EXPRO FE3M Project)

Chair: Karel Janda (*Charles University, Prague; University Economics, Prague*)

9:00-11:15

Does daylight saving time save electricity? Evidence from Slovakia
Peter Kudela, Tomas Havranek, Dominik Herman, Zuzana Irsova
(*Charles University, Prague*)

Elasticity of residential electricity demand in Russia: Evidence from a natural experiment

Salim Turdaliev (Charles University, Prague)

10:00-10:10 Tea break

The value of fuel economy: Evidence from the Chinese passenger vehicle market

Chang Shen (University of Maryland)

Application of agent based modelling on adoption of low-carbon technology

Bienias Karolina (University of Wroclaw; Charles University, Prague)

11:15-11:45

Tea break

11:45 – 12:45

Keynote lecture: Anna Alberini

“Validity of VSL estimates from contingent valuation”

Chair: Jean-Francois Auger (*Charles University, Prague; University of Economics, Prague*)

12:45-13:30

Lunch time refreshment

Session VI

Recreation, Health and Environment

(Sponsored by PRIMUS REGEC)

Chair: Dominik Herman (*Charles University, Prague*)

13:30-15:30

Prenatal health and weather shocks: Evidence from a Randomized design in Northern Kenya

Silas O. Ongudi, Thiam Djiby (University of Cape Town)

Recreational value of the Baltic Sea: a spatially explicit site choice model accounting for environmental conditions

Wiktor Budziński (University of Warsaw), Mikołaj Czajkowski, Marianne Zandersen, Uzma Aslam, Ioannis Angelidis, Thomas Becker, Katarzyna Zagórska

Assessment of the economic potential of recreational use of the Vltava river cascade

Kateřina Kaprová (Charles University, Prague)

Weather related impacts on tourism in Europe

Levan Bezhanishvili (Charles University, Prague), Milan řčasny

(Charles University, Prague)

15:30-16:00

Tea break

Session VII

Sustainable Tourism

Chair: Petr Sauer (*University of Economics, Prague*)

16:00-17:00

Overview of multicriteria decision making and Geographic Information System applied in forestry and environmental sciences

Meryem Tahri (Czech University of Life Sciences - CULS), Jan Kařpar

(CULS), Harald Vacik (University of Natural Resources and Life

Sciences Vienna - BOKU), Róbert Maruřák (CULS)

The problem of uneven distribution of foreign tourists in the Czech Republic and sustainable tourism

Jiří Vaniček, Liběna Jarolímková (University of Economics, Prague)

Development and forecast of employment in forest economy in the Czech Republic

Daniel Toth (University of Economics, Prague)

Green transition in the Czech Republic: *Ondřej Kolínský (University of Economics, Prague)*

17:00-18:00

Discussion and conclusions

18:00

End of Conference

Format of the conference

For presenters, the room will be equipped with a computer, a data projector, an electronic board and a flipchart for drawing.

Presentations 20 minutes
Discussions 5-10 minutes

Additional information

Prof. Ing. Petr Sauer, CSc., prof. h.c.
Institute for Sustainable Business, Director
University of Economics in Prague
Tel.: + 420-2-24095298
Email: sauer@vse.cz

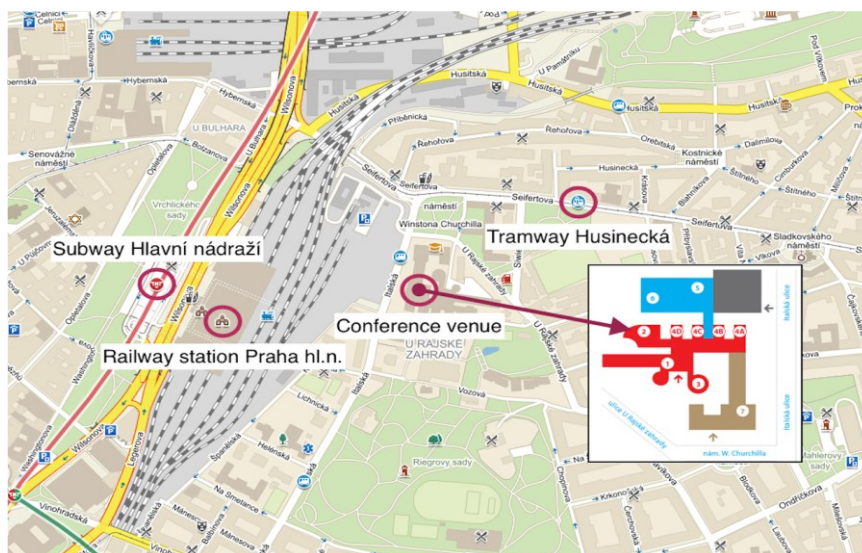

No conference fee is charged

Conference Scientific Committee

prof. Petr Šauer, University of Economics, Prague – Faculty of International Relations, Institute of Sustainable Business
prof. Anna Alberini, University of Maryland
Dr. Milan Ščasný, Charles University Prague – Environment Center
Assoc. prof. Silvester van Koten, University of Economics, Prague – Faculty of Economics
prof. Karel Janda, Charles University – Institute of Economic Studies; University of Economics, Prague – Faculty of Finance and Accounting; McGill University
Dr. Jiří Hlaváček, University of Economics, Prague – Faculty of International Relations, Institute of Sustainable Business

Conference venue

The conference will be held at the University of Economics, Winston Churchill Square 4, Prague 3. Campus Žižkov, New Building (NB), room 244 NB. (GPS: 50.0842150N, 14.4411958E).
